Information that should be gathered about all players for any screening:

- Name (including any nickname)
- Address
- Email
- Telephone
- Date of Birth
- Positions
- County
- Club & Affiliation number
- Emergency contact name, relationship and telephone number(s) including mobile
- Medical information

The details do not have to be entered into any table or format but the sheets held by the manager in case of an emergency. Successful players' information is then passed onto the relevant people.

All successful athletes will have to complete an EN Excel Athlete Profile Form for 2010/11 (which is likely to be a revised version of the 2009/10 version).
