

Umpire Mentoring/Coaching

Mentoring in the East Region is offered to umpires working towards an assessment either the EN Into Officiating Award or the NE C Award. Coaching is offered to umpires working towards assessment in the NE B and A Awards.

A Award and Panel umpires can coach B to A umpires, B Award umpires can coach C to B umpires and C Award umpires can mentor Into Officiating and those umpires working towards their C Award assessment, subject to successful completion of the East Region Mentoring and Coaching training process.

Only umpires who commit to the Regional League will receive Regional coaching from B to A

If you are interested in becoming an umpire mentor or coach please contact Sue Brown (Norfolk Lead Mentor) at norfolkcountyneball@yahoo.co.uk
